TESTIMONIALS

Word of Faith Christ Centre, South Africa

"We wish to extend our gratitude to you for addressing us during our Finance Convention. Your input was revealing and enlightening. Most of our people were empowered and we now know how not to live on credit. Thank you very much and may you continue to empower our people to walk in true liberty"

Conference Nairobi, Association of Kenya Credit Providers

"Thank you for releasing Cynthia to participate in the Conference. We were very pleased with her contribution to the conference, which was highly attended and therefore meant very high expectations. She met the expectations and we therefore wish to express our gratitude to your office and look forward to future collaboration."

Financial Services Board, South Africa

"I would like to sincerely thank you for your participation and excellent contribution to the Consumer Education Training we hosted. Your presentation on the way your office handles complaints and investigations was both informative and inspiring to the representatives of the visiting regulatory and supervisory authorities. We look forward to further opportunities to collaborate with you and your Office"
